

# The Aspen Institute

## First Movers Fellowship

First Movers are accomplished corporate social intrapreneurs who are creating new products, services and practices that generate business value alongside meaningful social and environmental impact.

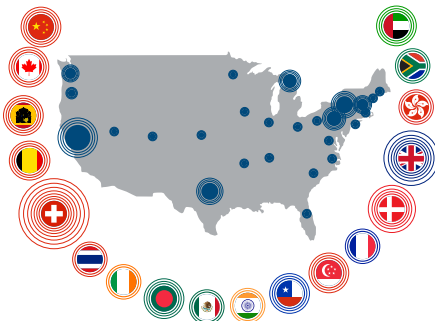

### The Network

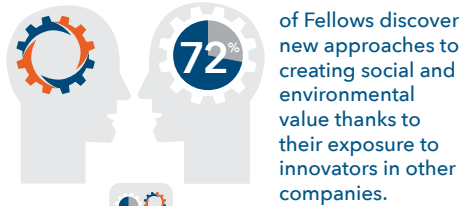

First Mover Fellows come from diverse functions and industries

Fellows are based across the U.S. and around the world.

### Fellowship Outcomes

**74%** of Fellows report having a stronger sense of professional purpose.

Fellows come from over 130 of the world's most respected companies. More than 30 have sent multiple Fellows to the program.

**100%** of Fellows would recommend the program to a colleague.
